TERMS AND CONDITIONS / PRIVACY POLICY / PRICING

Dogs and Cats (Aug 2021)

Pet examinations

During the grooming process, great care is taken to ensure the health of your pet. We will examine your pet for lumps, bumps and skin conditions before and during the grooming session.

4 Paws Mobile Spa Ltd is not liable for any pre-existing conditions and problems found during grooming. We will inform you of anything we find and advise you if we think a visit to your vet may be necessary.

If your pet has any medical issues, please let us know so that we can take this into account when they visit the spa.

We are happy to use medicated shampoos or apply any products your vet has prescribed. We are also happy to give tablets or administer medication prescribed by your vet. Groomers are no longer permitted to empty anal glands and would advise a visit to the vets should this be necessary. As a result, we are no longer insured to carry out this service. We will pluck ears if needed, unless the ear canal looks inflamed or infected in which case we would again advise a visit to the vets.

Pet Health

If your pet is unwell (e.g. vomiting, diarrhoea, kennel cough) let us know before we are due to visit you. This is both for their own comfort and the safety of our other canine clients. Please advise our staff of any change in your pet's health or medical condition upon arrival so that we may update their file.

Our insurance

We have full Public Liability Insurance. Full details are available on request.

De-matting Fur or Hair

We **will not** brush out matting as it may cause pain to your pet.

Matted fur or hair on your dog or cat may result in us having to clip close to the skin. Removing a heavily matted coat increases the risk of nicks, cuts, or abrasions due to warts, moles, or skin folds trapped in the mats. Heavy matting can also trap moisture

near the pet's skin allowing mould, fungus, or bacteria to grow, revealing skin irritations that existed prior to the grooming process.

After effects of matt removal procedures can include itchiness, skin redness, self-inflicted irritations or abrasions. Shaved pets are also prone to sunburn and should have sunscreen applied frequently or should be kept out of the sun until the hair grows sufficiently to protect the skin. It is our policy to de-mat a dog's coat only once in order to make the pet comfortable and to start re -building the coat. De-matting can be painful for your dog and unpleasant for both dog and groomer alike. After the de-matting process, you should be able to maintain the dog's coat between grooming appointments. 4 Paws Mobile Spa Ltd reserves the right to refuse grooming if your dog becomes heavily matted again after the initial de-matting.

Pets with heavy matting will have to be shaved. You agree that 4 Paws Mobile Spa will not be held responsible for any side effects this may cause.

You agree to pay all costs for grooming the dog or cat, including the extra cost of de-matting (we charge £15 extra for matted dogs) whether or not we are able to complete the work.

Fleas

Please note that pets with fleas cannot be accepted. If your pet has fleas, please treat them prior to visiting the Spa.

Should your pet have an infestation which is discovered after the groom has started a **flea surcharge of £15 for dogs and cats** will apply. (This covers the cost of bathing your pet using an insecticidal shampoo and the thorough cleansing and disinfecting of the Mobile Spa).

Cancellations / Missed Appointments / Unable to Park

In the event of missed appointments or no shows a charge of 100% of the grooming fee will be payable. The same charge will apply if we are unable to park outside your house or if there is any reason beyond our control which prevents us from completing the groom. If you do need to cancel, please notify us during office hours (our office working hours are Monday to Friday 9.00 - 17.00). If notice of cancellation is received less than one full working day before the appointed time, 100% of the grooming fee will be payable and if notice is received between one and two full working days prior to the appointed time, 50% of the grooming fee will be payable. If an appointment is made less than one working day in advance it will not be cancellable without payment of the full grooming fee.

If your cat is due to be groomed by us, please keep the cat securely in the house until we arrive. We will charge for a missed appointment if your cat has been let out.

The size of our vans can be seen on our website (www.4pawsmobilespa.com then click on 'About'). The dog spas are 6 metres in length and need to be plugged into a power supply. The cat spas are smaller and carry their own power supply.

Please call us if you need to change your booking. We will always try and fit in with you.

Our staff

Our number one priority is your pet's welfare. We all love animals and have many years of experience in their care and training. 4 Paws Mobile Spa Ltd reserves the right to refuse to groom aggressive or difficult pets or those with behaviour problems. You must agree to inform us if your pet is known to be aggressive or has ever bitten anyone. We are able to handle difficult pets, but only if we are aware and prepared. If a dog or cat is very traumatized or stressed about the grooming process, we will stop the service and recommend you speak to your vet about medication to help calm your pet so he or she can be groomed safely. If sedation is needed, we are happy to work alongside your vet. Please let us know ahead of time so we can co-ordinate the process.

Grooming procedures can sometimes be stressful, especially for a senior pet or a pet with health problems. Grooming may expose hidden medical conditions or aggravate existing ones during or after the grooming process. Because senior pets and pets with health problems have a greater chance of injury, these pets will be groomed for cleanliness and comfort, in styles that will not add to their stress.

Helpful hints

Before the 4 Paws Mobile Spa visits you, please allow your dog to go to the toilet. Although we realise accidents do happen, we like the pets to feel relaxed in the spa.

Appointments

We plan our day's appointments very carefully but there are times when we can arrive a little earlier or later than the appointed time. This depends on how well behaved the dogs or cats have been during the day and is also dependent on traffic. Therefore, the times we give are approximate.

Please let the groomer know on arrival how you would like your dog groomed (length, style etc.). At the end of the session the groomer will hand your dog back and ask if you are happy with the groom. If you would like anything changed please let the groomer know at the time as we are not able to revisit for alterations.

Payment

We accept debit cards and all major credit cards. We no longer accept cheques or cash. We take card details at time of booking but do not process payment until after the groom.

Data Protection

Client data will be treated in accordance with current GDPR Regulations and will not be shared with third parties.

Privacy Notice

4 Paws Mobile Spa Ltd is committed to ensuring that your privacy is protected. Should we ask you to provide certain information by which you can be identified, then you can be assured that it will only be used in accordance with this privacy notice. We may change this policy from time to time and will update clients should it do so. This notice is effective from 1st August 2021.

What We Collect

We may collect the following information:

- Name and Address of Customer.
- Contact information (including phone number and email address).
- Address where we need to groom the pet.
- Pet details including name, breed and age.

What we do with the information we gather

We require certain information to be able to provide you with a better service, and to comply with current legislation.

We also use your information to send emails to you about new products, special offers or other information which we think you may find interesting as a pet owner, using the email address which you have provided.

We will not provide information we hold to any third party for any purpose. By submitting your personal information you consent to us using it in accordance with this policy.
